

We wrote up in our journal - and then
Will went out - and I went shopping
on Piccadilly with Miss Esther Bell. - When
we came home - I got ready to go with
Mrs Bell to make some calls - We
called on Florence Earle - Mrs Scovell
and Miss Anna - Mrs Collinson - Mrs &
Miss Ward - Mrs Gouraud & Mrs Hooper
of Cincinnati. - When we returned from
there - ~~we~~ Will & I dressed for the opera -
and Mr & Miss Ward called in their
carriage for us - I was still disappointed
in Lillian's voice, but liked the opera ^{much}
very much. Retired as soon as we re-
turned.

~~Dec 4~~
Dec 4 Sunday Will and I went to Westminster Abbey - where
we were to have met Mr Robtson - but we
did not arrive until after services had
begun. A wonderful - glorious old building.
After services met Mr R - who showed
us about the cloisters - and the houses
of the various officers of the church
and of Westminster college - I took
a sad little nap - and then we took
an early dinner - after which Will
and Mr Bell went to see Mr Man-
gan - and remained all the after-
noon - came in at tea time - after
tea we came to our room - and had a
long talk - a very nice little evening.
